

NEIGHBORHOOD REFERRAL PROGRAM...

What's good for us is good for you. We typically schedule four to eight homes per day, all over Montgomery and Chester County. That amounts to a lot of time in traffic, and extra gas spent on travel. When we are able to clean windows for three or more customers in the same neighborhood on the same day, that saves us money. When you help us go green, we pass the savings on to you.

HOW IT WORKS:

Simple. If three or more homeowners in the same general neighborhood get together and hire our service, agreeing to have us clean all three homes on the same day, then we extend one of the following discounts to everyone involved:

A 10% DISCOUNT OFF THE TOTAL INVOICE AMOUNT

~ OR ~

A FOYER CHANDELIER/FIXTURE CLEANED AT NO EXTRA CHARGE

Use the power of your personal network to get the most for your money.
